Six-Year Completion Rate - The proportion of students who graduate, with a British Columbia Certificate of Graduation or British Columbia Adult Graduation Diploma, within six years from the first time they enrol in Grade 8, adjusted for migration in and out of British Columbia. The data are only available at district and province level.

Eligible Grade 12 Graduation Rate - The proportion of eligible-to-graduate Grade 12 students who graduated in that school year. Students are *eligible to graduate* if they have enrolled in sufficient courses to meet the requirements to graduate during that school year.

First-Time Grade 12 Graduation Rate - A measure of students recorded as being in Grade 12 for the first time in September who then graduate in that same school year.

* To ensure accuracy, data on Eligible Grade 12 Honours Graduates prior to 2013/14 is excluded from the current table due to changes in the calculation formula.
