

## Funded International Student Registration Instructions

**Students that are new to the country and have parents with temporary status (Work Permit, Study Permit, Refugee Claimant)** must apply online at <https://mytruenorth.ca/famportalindex.php?db=abbotsford>. If they need help completing the online application, they may contact the SWIS program at [Inder.singh@archway.ca](mailto:Inder.singh@archway.ca) or 604-217-4584 and they will be connected, to the best of their ability, with a worker who speaks their language.

**All students that are new to the country and have parents with permanent status (Permanent Resident, Canadian Citizen)** must register directly at their catchment school. These parents are also encouraged to contact the SWIS program at [Inder.singh@archway.ca](mailto:Inder.singh@archway.ca) or 604-217-4584, as they are a great support for anyone that is new to the country. Please note, if a parent is Canadian born, but the student is not, registration can be done directly at their catchment school, as registration is dependent on the parents' status in Canada, not the student's status.

For further information, please click on the following link to access the Abbotsford School District, New to Canada, website.
