

Welcome to Robert Bateman Secondary, Home of the Timberwolves!

We would like to welcome new families, students, and staff to the Bateman family! We know that it is going to be a spectacular year and we look forward to connecting with you.

At Robert Bateman Secondary, we take pride in our long-standing traditions, and we work closely with our middle and elementary feeder schools: Clayburn Middle, Auguston Traditional, Mathxwi, Prince Charles, Sandy Hill, Margaret Stenersen, and Thomas Swift Elementary schools. Together, we provide our students with strong community values, leadership, exceptional learning opportunities, academic excellence, sense of belonging, and a community of care.

At Bateman, we are committed to diversity, equity, and inclusion. We are committed to helping our students grow and provide an enriching environment where every individual has the right to achieve their full learning potential. Robert Bateman aligns with the Abbotsford School District's mission: we are preparing and inspiring our students for a lifetime of success. Our district vision of a world-class, innovative, and individualized educational experience for every student becomes a reality at Bateman.

In partnership with families, we seek to connect students to the school, the community, and to one another. Our staff, students, and families strive to pursue and adhere to our school's core value of "Eye to Eye with Respect". Understanding that these values are universally beneficial for adolescents and adults alike.

Robert Bateman is also about exploring and pursuing our passions. It is our goal that all students would find a place at school where they feel a sense of belonging and their talents flourish. We encourage students to take advantage of the many opportunities provided through innovative elective courses, athletics teams, fine arts, and school clubs. It is through these shared experiences that students discover their strengths, build friendships, and strengthen their connection to school.

We feel privileged to be able to be part of the Robert Bateman community and we look forward to working with families and students throughout the school year.
